

**Crowdster Plus 2
in the house—
bringing it down!**

Since the original **Crowdster** first appeared on the scene it has been the number one live-music acoustic guitar—no competition anywhere in sight!

Magnificent and uncompromised plugged-in acoustic guitar tone reigns supreme and untouched by the live environment. All the acoustic tone you could ever need—to command the performance—anytime you need it—with unmatched ease of playability. Everyone loved it!

...but then...

Crowdster Plus

appeared and instantly took center stage by demonstrating identically impressive acoustic attributes

plus

the addition of a revolutionary electric guitar pickup that can hear bronze strings and deliver rippin' electric guitar tone to supplement the already amazing acoustic aspects.

So good, in fact, was Crowdster Plus electric guitar tone that those who experienced it called out for:

more, more, more...
more electric guitar tones please!

Now the ultimate live-music Acoustic Guitar has taken another tonal quantum leap forward

Crowdster Plus 2

The same wonderfully powerful & lush live-music acoustic abilities

plus 2

Expanded to utter magnificence by **2** electric guitar pickups—tuned to listen to the voice of bronze strings

Two separate sonic sects
Flowing forth through three prolific pickups
All from one wondrous wellspring of tone and playability

Crowdster Plus 2

**The ultimate live Acoustic (and electric) Guitar experience.
Truly, there is no equal anywhere!**
